

# ARE YOU RUNNING YOUR BUSINESS OR IS IT RUNNING YOU?

Clarify.  
Simplify.  
Achieve  
your Vision.

## IS THIS YOU?

Many of the most successful entrepreneurs and business leaders work longer hours and get less return on their investments of time and money.

### Maybe you grapple with some of these challenges:

- **Lack of control** over time, markets, or your company.
- **People** who don't listen, understand, or follow through.
- **Profit** that's inconsistent and/or there's not enough.
- **Growth** is happening, but you can't break through to the next level.
- **Quick fixes** that come and go, bringing little change with continued frustrations.

## DON'T LET YOUR BUSINESS RUN YOU!

### Get a Grip on Your Business.

Are you a business owner or a senior-level executive and want to see your business consistently run better and grow faster? **Invite Troy Schuette to speak to you or your business group.** Troy will deliver a powerful, inspirational presentation that will introduce you to the Six Key Components™ of a successful business.

***Troy's interactive style and experience-based real-world insight makes this an eye-opening event for growth-oriented business leaders.***

At the conclusion of this workshop, you will walk away with a set of simple, practical tools that you and your leadership team will use immediately to focus on priorities, get clear on issues, and gain traction together, as a healthier leadership team.
